MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Report #33
Assessment and Evaluation Staff
13 - 19 August 1958

1. [] who has been assigned to a special project in DD/P concerned with utilization of clerical personnel, was in to discuss the possibility of getting some assistance from the A&E Staff, particularly with reference to determining which clerical personnel has the potential for becoming professionals. He will recommend that more systematic use be made of A&E testing programs. He states, however, that he has no idea how the recommendation will be received by the Personnel people in DD/P.
2. C/A&E briefed [] on A&E functions. I had the impression that the briefing was received with considerable skepticism.
3. I have interviewed two desk chiefs and a division chief with reference to the new training evaluation report form for the OC. The new form seems to be well received. All three people felt the use of an "Eyes Only" section of the report was a sound step.
